

Dedication & Memoriam

Michael Paul Gramegna "Mickey" January 6, 1956-February 22, 1973

We the class of 1974 wish to express our deepest feelings by dedicating our yearbook to the memory of our friend and classmate Mickey. He brought many joys, pleasures, and responsibilities into his life and the lives of others, such as camping trips with his family, snowmobiling, the beach, work, and making those close to him happy. His death brought extreme sorrow and everlasting meaning into many peoples lives. He was a friend we miss and who we shall never forget.

"Seem's the good they die young, I just looked around and he was gone."

dion

WE MAY NEVER PASS THIS WAY AGAIN

Life — so they say
Is but a game and they let it slip away
Love — like the autumn sun
Should be dying but it's only just begun
Like the twilight in the road up ahead
They don't see just where we're goin'
And all the secrets in the universe
Whisper in our ears and all the years will come and go
And take us up always up,

We may never pass this way again

Dreams — so they say
Are for the fools and they let them drift away
Peace — like the silent dove
Should be flying but it's only just begun,
Like Columbus in the olden days
We must gather all our courage
Sail our ships out on the open sea
Cast away our fears and all the years will come and go
And take us up — always up.

is but a game

and they let it slip away.

Love, like the autumn sun

should be dying, but it's only just begun.

Like the twilight in the road up ahead

and all the secrets in the universe whisper in our ears,

they don't see just where we're going

and all the years will come and go and take us up, always up.

Dreams so they say

are for fools and they let them drift away.

Peace like the silent dove

should be flying but it's only just begun.

Like Columbus in the olden days we must gather all our courage

cast away our fears

sail our ships on the open sea

and all the years will come and go

and take us up always up

In Appreciation to

Stephen A. Hamilton

The Cumberland Staff and the Class of 1974 would like to extend their sincere appreciation and gratitude to Mr. Hamilton, our year-book advisor.

He is a man of varied interests, a man of ideals, a dedicated man and a happy man, who hasn't lost his enthusiasm for art and education.

We truly appreciate Mr. Hamilton's support and guidance throughout our four years of school.

Thank-you.

Gregg Batterson Senior President

President's Message

As I look back on the experiences of the class of 1974, I can see the ambition and togetherness we have exhibited in all we have undertaken. In the past four years we have come to know and relate to each other in many different ways. The friends we have made will always remain with us as we pursue the paths of our futures. The experiences we have had with fellow students will remain as cherished memories to be recalled frequently in the years ahead.

Now as we look to the world these memories alone show us that the time we have spent in Rocky Hill High School was not wasted; in fact these past years have been invaluable to our lives. As each and every one of us chooses our road to the future, I feel confident that what we have learned here in Rocky Hill will remain a part of us for years to come. I'm sure that all of our roads will someday come together once again, and I'm sure that time will be as momentous as this.

"Beat em! Beat em!

"I got paid! I got paid!"

' But will you respect me?"

My students don't understand met

"How does Sacerdote get all the Chics?"

"Oh stop!"

In the beginning. God said, "Let there be light, "but instead there was the class of 1974. Because of our spectacular creation, we were expected to lead the school into it's finest hours, and we did not let them down. Even as Freshman, the class of 1974 showed their strong leadership qualities by proposing the basic outline for the Student Senate.

As Freshman, we made routine fund-raising schemes seem spectacular. At our first bake sale, the proprietors of the grocery store accused us. The Great, The Glorious. Class of 1974, were accused of harboring criminals. Despite these accusations we carried out the bake sale with simple perfection.

Of course, the class of 1974 had it's jovial moods when for example, they held their car wash. As the event came to a close, more people were washed than cars were.

fiven as freshman, we had our gearheads. Such as, Jim Syme, driving along in a souped-up 12 horse tractor, made deliveries for our wreath sale, and struck fear into the hearts of every little old lady in town.** % 1

As in every other activity, the class of 1974 led the school in sports, Crazy Craz and Wacky Wayne were two stars of the five baseball team. Wacky or the feath in hitting, while Crazy led the team in errors

We led the way in exclose by iratiating an Earth Day Students tanned out over the town in a successful after pt to clean up the Treets and I also the townspeople aware of this problem. We consider this effort a small step for macking.

had force a our freisman year. We see eithe first class to benefit (27) from the open study.

because of our never ending demands, the first soda machine was rented for student use. It never works but that fact is trivial.

We set the example with the first talent show. Our master of ceremonies was that television personality, Svenghoul e-played by Mark Sahadr. The show featured such excellent acts as Uncle Dudley's orange eating testival.

We held another bake sale our sophomore year, the management langry at us for the previous year decided to I index us by making tricitable break. We called them a few sweet words and carried on with the bake sale.

The J. V. soccer team's lowed its prospects for the luture by playing through a 11-1-1 season.

Our unior varsity basketball team was nearly annihilated by injuries, and that's enough said.

The junior varsity basebad team began with a record of 24 players, and ended the season with 12

We had a few stars on the track team who were to be heard from later

History

In our junior year, being criminal harborers, we turned into super salesmen. Our efforts were concentrated on selling t-shirts which netted us a total loss of 32¢ for postage stamps

As salesmen, some of the members of the class sold the administration on the idea of having an open

campus program for those involved in a certain class.

Speaking of selling, we sold ourselves to the new vice principal Lloyd Johnson, and perhaps that was

one of the reasons why he left,

7. We also assisted the class of 1973 with the Senior ball. Then, turned our efforts to our junior prom, which certainly was a night to remember. We spent the following day recuperating fown at the beach. And we spent the following week recoperating from the recuperation

Throughout our junior year our vice president and Senate representative, Greg Batterson, fought it out with the smoking proposal. After reaching the Board of Education he realized it was a waste of time.

The tennis and golf teams captured the COC crown Congratillations to K. G. (Haney) and Mr. D., you deserve it.

With nuch regret we were forced to say goodbye to two of our dearest friends and nost popular advisors, Mr. Ken Roy and Mrs. Ann Marie callore.

Our senior year began with a surplus of four advisors, but we took them anyway. That was the best decision we have made yet

Once again the class of "4 set a president with their scholars program to Weslyn University

As for programs the class has been busy with such activities as the record setting car wash, twhich turned out to be a big bath for the workers), the hagew successful and record breaking spagnetti Supper, and Is ent Show, certainly you can thorget those two programs)

Now we look towards class night, the class pichal, and surely the expectations of the Sen or Bull, (at the Hilton) and grad ration will attus ad-

The athletics in our last and most men orable year at RHHS were successful. The soccer team captured the COC Gown as usual. The basketbal team tried hard, but they weren't given the chance to get it together until rate in the season. We have great hopes for the track, tennis, golf, and basebail teams in the spring.

All in all we have set records and presidents throughout our stay at RHHS. Every member of the class of 1974 can feel as though they have played a part in it.

Editors Message

Time passes so quickly, it's amazing to see that our childhood days have come and gone. We are about to step forth into a different world. We will be facing new experiences, building new dreams and making old dreams come true. All of us have a lot to look forward to in the years to come, and we sincerely hope each and everyone of you will have your dreams come true. We put this yearbook together in hopes of preserving memories of our high school years, making it as natural as possible. At this time we would like to thank the members of the senior class for giving us the opportunity to make the yearbook possible, and to also thank our staff, for their tremendous cooperation and support. We would especially like to thank, Meg Burz, Doug Prill, Rebecca Lentini and Frank Sorano for the fine artwork and many hours put into the yearbook. And also to thank Jim Charbonneau and Paul Nott for being our right and left hand men at all times. Last but by no means least, we would like to extend our gratitude to Mr. Hamilton, for his support and dedication to the yearbook, and for always being there when he was needed.

MR. JAMES QUIGLEY Superintendent Of Schools

We may Never Pass This Way Again

"Oh, for the good old days!"
The good old days are now.
One may look back; one may pine over some gigantic dream of years gone by
But today is now, today is the good old day
And we just never pass this way again.

Courage decides how great our thrust. Our trust, our love will support us As we traverse yet untrod terrain.

With each goal firmly set, each mile gained, we strive toward new horizons For progress is a future, not a past. Where we have been no longer pertains It's gone and tomorrow we rise, always upward Never again to pass this way.

So look not backward — eyes fixed on our future Today we shrug off our fears Build our courage, our hopes, and our dreams For never to pass this way again is life's scheme

James F. Quigley
Superintendent of Schools

HAROLD SYMINGTON
Principal

You have selected the words of a current ballad to serve as the theme for this year's edition of THE CLMBERLAND. The import of the message is contained in the underlying philosophy which depicts hope, courage and a call for everlasting peace! Upon graduation you will each have the opportunity to carry out this philosophy as part of your everyday life. The goals are real and justified, the challenge is yours to accept or deny. Only you can determine whether it is important enough in your personal life to reflect this attitude throughout your working days.

Congratulations upon achieving the immediate goal of having graduated from high school. You are entering an everchanging world and your own personal growth and development will be tested many times. The only preparation you can have is to be mature enough to recognize change and develop a set of standards which will carry you through any situation. This can only be accomplished through the strength of your own personal values.

COMFORT FACILITIES INC.

148 Dividend Road Rocky Hill, Conn.

WE RENT AND SERVICE JET-O-MATIC CHEMICAL FLUSHING TOILETS!

We have toilets for construction workers, outdoor weddings parties, fairs or any outdoor event. We also have compact flushing units for trailers and campers. Our toilets are cleaner, smell fresher and are more sanitary. Really a totally new concept in portable toilets.
